Dear Madam,

I am currently interested in an internship that involves learning about software implementation and would like to work for a company that specialize in information technology. I would welcome the opportunity to speak with you directly regarding internship opportunities within your company.

I am currently enrolled at University Malaysia of Computer Science and Engineering (UNIMY) will complete my Bachelor of Computer Science in January of 2022. My record of schoolwork, involvement in a sorority, and volunteer activities demonstrate attributes that make me a valuable employee. Include in my list of talents are:

- **Leadership Skills:** As a member of Student Ambassador of UNIMY, I have been the representative to expose my university and give information about information technology at Education Fair, Midvalley.
- **Reliability and Work Ethic:** In all my leadership roles and volunteer activities, I have maintained an excellence record of being on time, prepared and eager to take on new responsibilities. I am very goal oriented and can get things done in a timely manner.
- **Community Involvement:** I have volunteered for such programs as River Cleaning at Sungai Gabai. I enjoy helping others and continually look for ways to help make my community for better environment.

I have a good experience in software and database design. I used to develop project program using React Native, PHP and JavaScript programming. Currently I am working on my own project for the final year project which is a digitize gymnasium and fitness system that can help most starter fitness health centre.

Please see the attached resume for a more detailed description of my skills and abilities. I look forward to speaking with you about the opportunity to intern with your company anytime. I can be reached at the below phone numbers. Please call me at your earliest convenience. Thank you for your time.

Sincerely,
